

REMARKS

Claims 1 and 6-25 are currently active.

Claims 2-5 have been canceled.

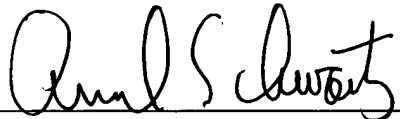

The rejection under 35 U.S.C. Section 112 has been obviated by amending Claim 1 to be in conformance with the specification.

The Examiner has rejected Claims 1-4 as being anticipated by Yamamoto. The Examiner has indicated Claims 5-25 would be allowable if rewritten in independent form with all the limitations of its base claim and any intervening claims. Claim 1 is now Claim 5 rewritten as such. It is submitted the application is now in condition for allowance.

In view of the foregoing amendments and remarks, it is respectfully requested that the outstanding rejections and objections to this application be reconsidered and withdrawn, and Claims 1 and 6-25, now in this application be allowed.

Respectfully submitted,

JOHN E. GILMOUR, ET AL.
